## So You Want to Be a Board Member!

Are you looking for a place to use your God-given talents in service to a nonprofit? Is the Lord placing board membership on your heart right now? Our Board of Directors always welcomes new applications for board membership.

In the upcoming months, our Board Development Committee will be identifying potential candidates to serve on the board for terms beginning in September 2005. We are looking for board members who have gifts and expertise in marketing/public relations or in fund development; we are also looking for members of the clergy to join the board who

can connect with fellow clergy about domestic abuse. Individuals who are entrepreneurs, who "think outside the box," are also encouraged to apply.

Here are just a couple critical roles that board members fill for Safe Haven Ministries:

- An ambassador, using opportunities in day-to-day activities to raise awareness about the issue of domestic abuse and promote connections with Safe Haven Ministries
- A link, using personal connections to identify potential donors for silent

auction items, event underwriting, foundation support, and other support.

Please contact our office at 452-6664 if you would like more information about serving on the Board of Directors or to receive an application.

God has blessed Safe Haven Ministries with amazing, multi-talented, and dedicated board members, and we trust that He will continue to lead new people to serve at Safe Haven Ministries.

## Program Highlights

**Ramoth House** announces a new program manager! Amy Morofsky joins us from Hope Network, where she served as a program manager for one their residential facilities. Welcome, Amy!

After a Safe Haven referral process, a former

**Protective Hands** client was able to access a national program for free facial plastic surgery, needed as a result of a violent past assault. After waiting for 6 months, and through an E-angel's generosity, she had an appointment earlier this week! Please keep her in your prayers!

In the spirit of spring cleaning, our **Raise Hope** staff would love to visit your church to restock your Information/Welcome Center with Safe Haven's most current materials. We have several updated flyers to share with you, along with posters and other resource materials. Call us today to schedule a visit!
